INFORMATION CIRCULAR

Sub: Provision of Ganga water connection to our society

Dear Residents,

Meeting was held with Amrapali Group Director Mr.Ajay Kumar & Mr.Mohit Gupta (Marketing Director) in G block community hall on 30-05-2015 (6:30 pm) and various issues has been discussed. One of the main issue was "Provision of Ganga water connection" to our society.

Day by day, the underground water level is going down and in future we may face a severe water crisis. AVRWA was pursuing this issue since 2008 and now the builder agreed to come up with a solution.

Mr.Ajay Kumar informed that Rs.2,000.00 per flat is required to deposit with the Government body in order to get the Ganga water connection to our society. The builder assured that Rs.1,000.00 will be contributed from their side and the balance Rs.1,000.00 has to be paid by the individual residents / flat owners.

On behalf of the residents, AVRWA principally agreed to this arrangement and requested the builder to add / charge Rs.1,000.00 + Service Tax from each resident in this month (i.e. June 2016) electricity bill with a separate heading highlighting as "Charges towards Ganga water connection".

If the amount is paid, the builder promised to avail the Ganga water connection by the end of this month. This will be a huge beneficial for all of us in a long run.

Request all the residents to co-operate and pay in time for our better future.

For **AMRAPALI VILLAGE RESIDENTS WELFARE ASSOCIATION**

Maheswaran Nair
(General Secretary)
