To  
The Vice Chairman  
GDA, Ghaziabad  
Uttar Pradesh.

**Subject:** Removal of Garbage dump-yard from the residential area at Amrapali Village (Near Kalapatthar, Indirapuram, Ghaziabad - 201 010)

**Ref:** Letter Dated August 24, 2015

Dear Sir,

This is with reference to our earlier request letter submitted to you regarding the removal of huge garbage dump yard cropping next to our residential society Amrapali Village at Kalapatthar, Indirapuram, Ghaziabad. In our last letter submitted to you, we feared for a bad impact of health among our fellow residents, due to highly cultivated disease like dengue etc.

This is to our surprise that this being such a serious issue, the authority has not paid any attention to this and due to the dilly dally approach of concern person it has resulted in spreading Dengue in our society. 5 cases of Dengue is already detected in our society in last 2 days due to the highly negligence attitude of the concern authority/ officer. The same problem is now highlighted by the daily leading newspaper of the locality. (Copy attached).

Our society is occupied by more than 1000 flats with the dense population of more than 4000 residents. Senior citizens & kids the primarily affected people. Looking at the increasing problem in the coming days due to this garbage dump yard, we residents once again requesting you to do the needful to remove and clean the aforesaid area at the earliest to save the locality from the major and life endangering disease like Dengue.

Thanking you.

For **AMRAPALI VILLAGE RESIDENTS WELFARE ASSOCIATION**

Maheswaran Nair  
(General Secretary)
